

Welcome to Easton and the Historic Tidewater Inn! We are delighted to have you with us. We hope you enjoy your visit.

As a special guest at the Tidewater Inn, we ask that you follow our Doggie Directions to ensure that everyone enjoys their stay:

- Your owner must pay a \$50 per pet, per night, non-refundable fee to bring their best friend along to the Inn.
- You must be under 40 pounds and your owner must keep you crated in public areas at all times. We love dogs, but some guests don't want to see your happy face running toward them.
- Please stay out of the restaurant and outdoor dining patio. The Health Department probably loves dogs too, but they have strict rules.
- Please have your owner clean up after you! Bags are available at the Front Desk.
- Make sure you keep your "Paws Off" sign on your room's doorknob. When your owner wishes to have your room cleaned, have them contact the Front Desk to establish a time when you can take a walk and Housekeeping can clean. (Please call between 9:00 a.m. and 2:00 p.m.)
- If your owners are leaving you for awhile, have them leave a cell phone number at the Front Desk, in case you're barking for their return.
- Remember, if you feel the need to chew on furniture, use the bedding as a new toy or relieve yourself on the carpet, your owner will have to pay! Try to behave! The Historic Tidewater Inn does not assume any liability for you or your actions while at the Inn.

Have a wonderful time at the Eastern Shore of Maryland! Thanks for staying with us!
